

Project Call

Fiscal Years (FY) 2026 through 2029

Carbon Reduction Program
Transportation Alternatives Set-Aside

Project Call Announcement

The Capital Area Metropolitan Planning Organization (CAMPO) is requesting applications for transportation projects that serve the six-county CAMPO region. This competitive project call will select projects for federal transportation funding through the Transportation Alternative Set-Aside (TASA) and Carbon Reduction Program (CRP) funding programs.

All information related to the project call is available on CAMPO's Funding Opportunities webpage and will be continually updated throughout the duration of the project call and will include:

- Guide to the Project Selection Process for Regional Transportation Funding
- Online Application
- Current Schedule
- Webinar Registration, Recordings, and Presentations
- Open Office Hour
- Frequently Asked Questions
- Additional Resources for Project Development

Funding Availability

Program	Funding	Program Years
Transportation Alternatives Set-Aside (TASA)	\$37,039,320	FY 2026 - FY 2029
Carbon Reduction Program (CRP)	\$31,615,825	FY 2026 - FY 2029
Total	\$68,655,145	

Projects selected by the Transportation Policy Board will be programmed with federal funding currently apportioned to the region or forecast to be apportioned in future fiscal years. These amounts are estimates and not guaranteed beyond the current federal transportation bill, the Infrastructure and Investments in Jobs Act (IIJA), which is currently authorized through Fiscal Year 2026. This forecast assumes the continued authorization of the federal programs and current apportionment levels. Funding amounts shown are for the federal funding share only and do not include the required local share.

CAMPO may recommend additional funding above these amounts as determined by the scheduling of projects submitted, progress of currently funded projects, and additional funding availability.

Important Information

Project Call Guidance

The *Guide to the Project Selection Process for Regional Transportation Projects* is the primary resource for project call information and includes important information on federal transportation funding, the transportation project development process, and CAMPO selection process. The guide is available on the funding opportunities webpage.

Webinars

Webinars will be held in the beginning of the project call process. These webinars are open to everyone but will require registration to attend the event. Please ensure to register prior to the start of each webinar session. Presentations will be made available and posted online. Additional webinars may be scheduled as need.

Office Hours

Open office hours will be held online through the project call process and application period. These open office hours are to ensure that sponsors have dedicated opportunities to connect directly with staff during the project call application process. Additional open office hours may be scheduled as needed.

Webpage

The Funding Opportunities webpage on the CAMPO website will host all information and resources need for sponsors to apply for the project call including all referenced materials, scheduled webinar registration, open office hours links, and schedule. Throughout the process periodic updates will be made to this webpage including webinar presentations, schedule updates, and other items. Please bookmark this page and return periodically to ensure you have the most current information.

Contact Information

All questions, comments, or concerns regarding this process must be submitted in writing through the official project call email at funding@campotexas.org
